

HIGHLANDS UNITED METHODIST CHURCH

We're continuing on in our Fruit of the Spirit Sermon Series this month. For the month of October we'll be looking at goodness, faithfulness, gentleness, and self-control. This is also a big month for mission. Our Cuba team will be going to Cuba to take supplies to our sister church the first week of the month. What a way for us to live out the Fruit of the Spirit! We thank you for all who helped make clothes, donated money, donated supplies, and prayed for Cuba. Our team will be in Cuba October 3rd-7th. We ask that you continue to surround the team and the church in Cuba with prayer during this time.

Whether you are giving of your time, prayers, and money to Cuba or not, there are other ways you can live out the Fruit of the Spirit right here at home in Jacksonville. I hope that you are listening for how the Lord is calling you to serve here at home. I hope that as we have been studying the Fruit of the Spirit, you have prayed for the Holy Spirit to make you more loving, joyful, peaceful, patient, and kind. And this month as we learn about the rest of the Fruit of the Spirit, I hope you will pray to be more good, faithful, gentle, and self-controlled. Thankfully, we don't transform ourselves. If that were the case, we wouldn't change much. But we have the power of the Holy Spirit living in us, transforming us into the likeness of Christ, making us look more and more like Him. I am hopeful to see what the Holy Spirit does among us as we pray to be more like Him.

So let's continue to bear fruit for the kingdom of God. Let's continue to be transformed by the Holy Spirit so that we point more and more people toward our Savior Jesus Christ. Let's be a church that people can't help but see the fruit of the spirit being lived out among us. Let's be a church that through our fruit, people can't help but want to know our Lord.

Blessings,

Pastor Katie
